USED CARS)

The Paige Co. of Memphis, Inc., will guarantee every used car we sell. We will assume responsibility for defective parts and give purchaser every assumance of satisfaction. This is something new in the automobile industry—a most radical change from the policy employed by all dealers in used care.

Heretofore the purchaser has assumed all risk. He has had to depend on his own judgment or "luck." He could never be sure he would not have a big repair hill tacked on to the original nurchase price. We are going to change this. We are going to assure you—to guarantee you will be satisfied. We believe this its only fair—that a man who spends his money for a used car is ontitled to the same attention and consideration that is given to the purchaser of a new car.

THESE CARS HAVE BEEN RE-PAINTED AND EQUIPPED WITH NEW TIRES. One seven-passenger Cadillac 8, per-ect condition, six new tires, and price s only \$1,160. If you want this bargain you wi
